

Bloomberry executives ranked highly in II Research's 2024 Asia (ex-Japan) Executive Team survey

Bloomberry Resorts Corporation (Bloomberry) ranked highly in the 2024 Asia (ex-Japan) Executive Team Survey published by Institutional Investor Research (II Research). The survey was conducted between January 9 and February 9, 2024 among buy-side and sell-side market participants.

Bloomberry was one of only four Philippine companies that were ranked this year. In comparison, there were 10 Philippine companies that were ranked in 2023. Bloomberry managed to remain in the Most Honored Company list, a title given only companies that received positions within various categories.

The Company's executives were highly ranked among Asian Small/Mid Cap companies (companies with market capitalization of less than US\$10 billion) in the Gaming & Lodging Sector. On both combined (buy-side and sell-side) and buy-side only basis, Bloomberry Chairman and CEO Mr. Enrique K. Razon Jr. was voted first place under the Best CEO category. EVP, CFO and Treasurer Ms. Estella Tuason-Occeaña was voted third and second place on a combined basis and buy-side only basis, respectively. Under the Best Investor Relations Officer category, Mr. Jonas R. Ramos was ranked first by buy-side market participants.

Bloomberry's ESG Program was also cited, ranking second on a combined basis, and first on buy-side only basis.

This set of rankings is essentially a seal of approval from shareholders and analysts and reflect Bloomberry's commitment to good governance, as well as timely and transparent communication with its financial stakeholders.

In 2024, a total of 4,943 buy-side professionals managing an estimated \$2 trillion in Asia (ex-Japan) equities and 951 sell-side analysts participated in this survey, nominated a total of 1,669 companies and 2,595 individuals across 18 sectors. The companies were rated on several core areas, including Financial Disclosure, Services & Communication, ESG and Board of Directors as well as attributes for CEOs, CFOs and the Best IR Professionals.

II Research is a global market research platform spanning Europe, Emerging EMEA, Asia Pacific, North America and Latin America. II Research generates independent feedback, data, and actionable insights that are critical to annual performance reviews and strategy of the sell side, corporates and buy side. In aggregate, this data allows II Research to provide unique editorial commentary on the region.
