### Clarification of News Report

We write in connection with your letter to Bloomberry Resorts Corporation ("BLOOM") dated September 11, 2024 seeking clarification and/or confirmation relating to the news article entitled "New Solaire casino expected to open in Cavite in 2028" posted in philSTAR.com on September 11, 2024, which reported in part that:

"MANILA, Philippines — Tycoon Enrique Razon is expected to open a new casino in Cavite in 2028 as the government banks on the opening of more integrated resorts to boost the local gaming industry.

During the Inside Asian Gaming Summit on Tuesday, Philippine Amusement and Gaming Corp. (PAGCOR) chairman and CEO Alejandro Tengco said the agency is seeing more industry players investing in the Philippines amid the country's unique selling point as a prime tourism and entertainment destination.

Tengco said at least six integrated resorts, or resort properties that include a hotel with casino and other facilities for retail and dining, will rise over the term of the Marcos administration.

'By 2025, one will be launched in the Entertainment City area, as well as other potential projects in Cebu and Boracay by 2026,' Tengco said.

'Clark, the economic zone in Central Luzon, is also on the radar for a new integrated resort in 2027, followed by another Solaire property resort sometime in the end of 2028,' he said.

In particular, the Solaire Puerto Azul in Cavite will be Razon's third casino after Solaire in Parañaque and the recently opened \$1-billion integrated resort in Quezon City.

Other than the timeline, Tengco has yet to provide specific details on the planned Solaire casino.

...."

At this time, BLOOM is in process of completing the land acquisition in Paniman, Ternate, Cavite and developing the masterplan for this project. While the timeline has not been finalized, the Paniman development is definitely a project that the company is keen to develop and open in the next five to ten years.
